1. Comment. This train is believed to have gone to Jerichow with an engineer unit of the Second Gds Mech Army. 25X1
2. Comment. The entrained unit of the 2d Light Arty Brig transferred to Sagaró/Ruegen for firing with live ammunition at sea targets. 25X1
3. Comment. [redacted] these four trains may have carried artillery units of the Fourth Gds Mech Army. The two trains on 9/10 July may have come from Altengrabow in the Magdeburg railroad district. See Paragraph 2. It is believed that all shipments went to Templin or to the army area. 25X1
25X1
4. Comment. A KVP mortar unit of the Mechanized Division Potsdam from the Rathenow port probably transferred to the Jaegerbrueck training grounds. 25X1

6. Comment. [redacted] individual guns of the 90th Gds RL Regt of the Second Gds Mech Army transferred to Altengrabow. 25X1
7. Comment. The trains probably carried units of the 9th Mech Div. Artillery and tank units had been observed at the Justerbog training grounds as early as prior to 22 June. [redacted] Elements of the 1719th AAA Regt of the division are believed to have transferred to Wustrow. 25X1
25X1
8. Comment. The designation Weitendorf as receiving station is believed to be an error. It is possible that the Weitendorf (PE-8256) railroad station east of Schwerin is meant. The two shipments possibly were connected with the transfer to Wustrow of AAA units of the 7th Gds Mech Div or the 63d AAA Div. 25X1
Comment. 25X1
9. According to observations at the Schoeneweide railroad station, the train carried elements of the 24th Gds Mech Regt of the 7th Gds Mech Div stationed in Karlshorst.
